Hey all!

The recent clean-up was a huge success! together we picked up 51 lbs of trash. We are planning to do another clean-up at the end of the tour season to keep the area in top shape.

A huge shout out to all of our volunteers that showed up and did all possible!

Coming down the pipe for the club is a tour of the McCarran ATC facilities. Currently, I'm in contact with the ATC manager and we are looking for a date for the tour. Besides that, we have another casino night planned for December with more treats to come.

All in all, it's going to be an awesome year for the club and we really appreciate your support and attendance.

Be cool,
-Jarrod

Student Services

This August we are starting an exciting new event for certificate and rating advancement recognition! If you have passed a checkride or a certification from May 1st through August 31st, you are invited to be honored at the pinning ceremony. The ceremony will be held on August 5-8, 2021, from 5-8 pm at the Rotor Wing Instrument Lab. We have received many invitations from your C.O. Pilot and don't forget to RSVP!

Don't forget to take your written test at the testing center. If you are unable to do so through the end of the semester, please contact your instructor for assistance. If you need help, please reach out to Kelly Bowen with concerns or issues. Contact: 435-865-8731, kbowen@suu.edu
