In addition to the above-listed requirements, to complete a Bachelor's Degree at SUU, students must have a total of 40 upper-division credits, and 120 credits total. Pure Math majors may need an additional 5-9 upper-division credits, and 30 or more free elective credits to meet both of those requirements.

* PHYS 2210/2215 is the recommended Physical Science GE course for students seeking advanced degrees in mathematics.
