What Makes You a Non-Trad: My years of wisdom and break in educational journey.

About You: I grew up in CA, and spent the past few years traveling across the U.S. with my horses and dogs before landing in Utah. I wasn't planning on staying here but I ended up meeting the love of my life. Now, I enjoy life with my family and horseback riding in the beautiful mountains of Bryce Canyon and Zion. Going back to school once felt out of reach, but with the support of my loved ones, the staff at SUU and the guidance of Non-Traditional Student Services, I'm achieving more than I ever imagined. I have found my dream career path, and have discovered a love for working alongside SUU staff and students to make a difference in the student journey. I'm proud to be a T-Bird!
