FACULTY DANCE CONCERT

ARTISTIC DIRECTORS' NOTE

Welcome to SUU's Theatre, Dance, & Arts Administration 2024 Faculty Dance Concert: *Prismatic*. These distinct new dance works explore the myriad illuminations and interrogations ignited by our daily encounters with time, nature, and community. SUU's Dance Faculty is excited by the numerous collaborations featured in this program. The concert includes a world premiere by guest artist Pat Taylor of JazzAntiqua, a musical collaboration with the SUU Chamber String Ensemble under the direction of Dr. Xun Sun, a Jazz Ensemble led by

between each choreographer, the dancers, and the space. Furthermore, we are grateful for you, dear patrons. Your presence here, immersed in the work of our extraordinary guest artists, faculty choreographers, and student performers, is the

to premiere two special dance works during the Saturday matinee performance featuring student performers from the

and inspired by today's performance.
