S Writing

In writing, it is important to vary the way you form your sentences. Too many short or complex sentences in a row can make the writing feel monotonous. In this tip sheet, you will find suggestions for varying the way you construct your sentences.

	Basic order:
Basic sentences are constructed in the traditional	A magazine stand sits next to my coffee table.

Prepositional phrases follow nouns to describe them, or move around a sentence to describe verbs. Prepositional phrases include a preposition (<i>on, around, up, by, through etc.</i>) and an object. By including a prepositional phrase in the sentence, or by rearranging the position of the prepositional phrase, you can vary the rhythm and structure of your sentences.
